

Member Services

**For Individual Artists, Educators,
and Friends of the Arts**

The Arts Council nurtures the arts and enriches the lives of everyone in Northwest Pennsylvania through leadership, financial support, education and advocacy.

Member Services for Artists, Educators, and Friends of the Arts

The Arts Council offers two levels of member services for individual artists, educators and friends of the arts. Each level is designed to provide valuable benefits to our members. Pick the level that works best for you, and submit a membership application to the Arts Council of Erie today!

Level I

\$25.00 per year
\$15.00 for current college students

Marketing & Visibility

- Inclusion in online member directory at www.ArtsErie.org
- ARTISTS: Basic listing (name, artform, contact information) in an online Artist Directory at www.ArtsErie.org.

Technical Assistance & Professional Training

- Notification of community training sessions on possible topics like grant-writing, networking, integrating arts in education, and internet and computer technology. Some of these sessions could potentially include opportunities for educators to earn Act 48 credits.
- Notification of grant opportunities, including Arts Council grants and PA Partners in the Arts grants.

Networking & Advocacy

- Admission to Arts Council luncheons at regular price.
- Subscription to Arts Council's periodic Membership E-News.
- Subscription to Arts Council's newsletter (3 issues per year).

Level 2

\$50.00 per year
\$40.00 for current college students

Marketing & Visibility

- Inclusion in online member directory at www.ArtsErie.org
- ARTISTS: Expanded listing in an online Artist Directory detailing your artform and including work samples, when possible, or a link to your work samples on your own website.
- Ability to submit articles about your work, performances or gallery shows for publication in an E-News Bulletin sent periodically to Arts Council members, and/or on the Arts Council website, to the extent space is available.
- Ability to post events and submit spotlight articles and photos for possible publication on EnjoyErie.com, to the extent space is available.

Technical Assistance & Professional Training

- Notification of community training sessions on possible topics like grant-writing, networking, integrating arts in education, and internet and computer technology. Some of these sessions could potentially include opportunities for educators to earn Act 48 credits.
- Notification of grant opportunities, including Arts Council grants and PA Partners in the Arts grants.

Networking & Advocacy

- One free admission per year to Arts Council member luncheons, and regular price admission for all other luncheons.
- Invitation to casual networking events like mixers, happy hours, or arts and sports events.
- Invitation to participate in discussion groups, which the Arts Council may facilitate to address issues facing the arts community and to provide a voice for our members.
- Subscription to Arts Council's periodic Membership E-News.
- Subscription to Arts Council's newsletter (3 issues per year).
